Your One Stop Supplier In Korea

Greeting

Endless challenge towards the world and future

Dear valued customers,

Thanks for your support and belief in KM Marine's vision.

We're deeply thankful and honored to introduce KM Marine to all of you.

KM Marine is an ambitious and competitive company where has provided vessel's spare parts, stores, foods and repair service to S. Korea and overseas vessels calling at power plants in the west coast as well as all vessels entering harbors nationwide. And it has strived and made its best efforts continuously to gain confidence, trust and reliability from shipping companies and vessels owners.

All executives and staff members have provided innovative logistics service differentiated from previous service based on company management philosophy, "Challenge, Reliability, Value Creation" to satisfy and establish confidence with customers all over the world.

KM Marine will take up challenges ceaselessly and strengthen core competencies to be more globally competitive in the world market to be become a promising company to all shipping companies and vessel owners.

Again, we'd like to express our deep gratitude for all your interest and support. Your invaluable advice is always welcomed. Wish you all the best, good health, and happiness.

Thank you.

KM Marine Inc.
CEO Chae Su-bong

WHY KM MARINE?

WE ARE SHIP SUPPLY EXPERTS AND 24/7.

WHO WE ARE

We have been in this field with a good reputation and have customers in the world. Our team who had over 20 years of experience as seamen makes it easy for our customers to receive their supplies, whenever they are needed, efficiently and at the best possible price via each department's responsibility.

WHAT WE DO

PROVISIONS& BONDED STORES |

KM MARINE stocks just about everything and delivers just about everywhere in the world. We offer a wide range of fresh, frozen and dry provisions to cater to the diverse preferences and needs while remaining fully compliant with the high demands of today's food supply chain and international food safety standards.

STORES |

With KM MARINE's extensive experience even in the most challenging and austere environments, our customers can rest assured that we have the necessary infrastructure, systems and team to meet their needs. We are able to deliver a full scope of stores and consumables in line with industry standards such as IMPA and ISSA guides. Besides great service, we supply all kinds of cabin, deck and engine stores through our global network.

SPARE PARTS |

KM MARINE is a leading supplier of genuine and OEM spare parts marine equipment, supplying technical and sophisticated spare parts. We supply technical spare parts to all maritime clients regardless of any type of vessels they operate.

REPAIRING & INSPECTION |

We have experienced, skilled and highly motivated team who look forward to assisting you according to your needs. We provides complete Services for Engines and related systems, electrical & automation services, structural welding, underwater repairs, safety equipments and calibration service.
